 Acoustic horn flare in the inner side of the SpaceHorn

2.500 €/pair

# UNO SD

## UNO SD VERSIONS.

	PVP - IVA não incluído
<p><b>UNO SD.</b> 2-way hornspeaker satellite with active 600 Watt DSP sub. <i>requires:</i>      <i>Option 1 "Passive Nature Cap crossover" or</i>                          <i>Option 2 "Itron Current Drive amplifier"</i></p>	22.440 €/pair
<p><b>PASSIVE NATURE CAP FREQUENCY CROSSOVER.</b> 2-way passive crossover with Polarisation Plus circuit (Option 1)</p>	2.080 €/pair
<p><b>ITRON<sup>AA</sup> CURRENT DRIVE AMPLIFIER.</b> 2-channel active amplifier module (Option 2)</p>	11.480 €/pair
<p><b>AUTOMATED AMPLIFIER SWITCH.</b>    <i>for dealer demo use only</i> remotely switches between external amplifier (via passive crossover) and fully active Itron current drive. <i>requires:</i>      <i>Option 1 "Passive Nature Cap crossover" and</i>                          <i>Option 2 "Itron Current Drive amplifier"</i></p>	2.080 €/pair
<p><b>BUILT-IN STREAMER MODULE.</b> wireless PLC streamer incl. DAC &amp; analog volume control &amp; true analog input <i>requires:</i>      <i>Option 2 "Itron Current Drive amplifier"</i> <i>incompatible:</i> <i>with "Passive Nature Cap Frequency Crossover" and</i>                          <i>"Automated Amplifier Switch"</i></p>	6.000 €/pair

# DUO SD

## DUO SD VERSIONS.

	PVP - IVA não incluído
<p><b>DUO SD.</b> 2-way hornspeaker satellite with active 600 Watt DSP sub. <i>requires:</i>     Option 1 "Passive Nature Cap crossover" or                     Option 2 "Itron Current Drive amplifier"</p>	32.360 €/pair
<p><b>PASSIVE NATURE CAP FREQUENCY CROSSOVER.</b> 2-way passive crossover with Polarisation Plus circuit (Option 1)</p>	2.190 €/pair
<p><b>ITRON<sup>AA</sup> CURRENT DRIVE AMPLIFIER.</b> 2-channel active amplifier module (Option 2)</p>	11.480 €/pair
<p><b>AUTOMATED AMPLIFIER SWITCH.</b>     <i>for dealer demo use only</i> remotely switches between external amplifier (via passive crossover) and fully active Itron current drive. <i>requires:</i>     Option 1 "Passive Nature Cap crossover" and                     Option 2 "Itron Current Drive amplifier"</p>	2.080 €/pair
<p><b>BUILT-IN STREAMER MODULE.</b> wireless PLC streamer incl. DAC &amp; analog volume control &amp; true analog input <i>requires:</i>     Option 2 "Itron Current Drive amplifier" <i>incompatible:</i> with "Passive Nature Cap Frequency Crossover" and                     "Automated Amplifier Switch"</p>	6.000 €/pair

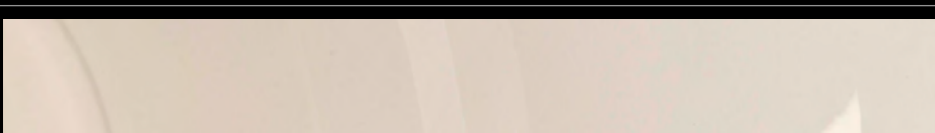

# DUO GT

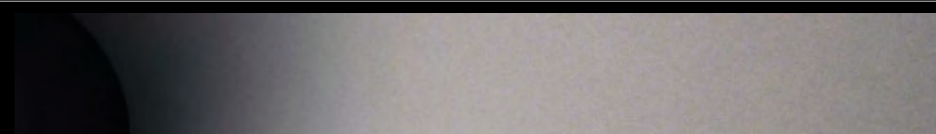

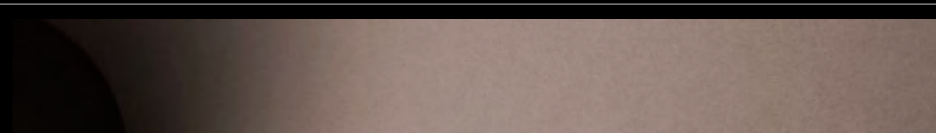

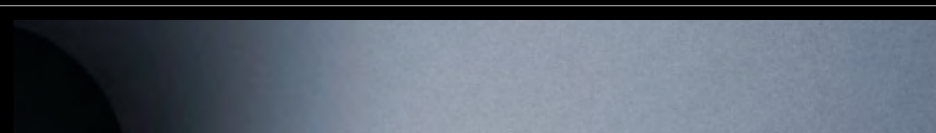

## DUO GT VERSIONS.

	PVP - IVA não incluído
<p><b>DUO GT.</b> 2-way hornspeaker satellite with active 1000 Watt DSP sub. <i>requires:</i>     Option 1 "Passive Nature Cap crossover" or                     Option 2 "Itron Current Drive amplifier"</p>	42.280 €/pair
<p><b>PASSIVE NATURE CAP FREQUENCY CROSSOVER.</b> 2-way passive crossover with Polarisation Plus circuit (Option 1)</p>	2.190 €/pair
<p><b>ITRON<sup>AA</sup> CURRENT DRIVE AMPLIFIER.</b> 2-channel active amplifier module (Option 2)</p>	11.480 €/pair
